Ramblers Finally Get into Throngs of Skiers Out On Weekend

—Defeat Oliver 46-41

Most people would have thought it was impossible, but it actually happened last Wednesday night in the Oliver High School gym. Yes, Vernon's Ramblers finally chalked up a victory in the Okanagan Basketball League. Not only was it their first victory in the league, but also an initial win for the 1948-49 season.

Southpaw Bill Koshman spearheaded the Ramblers against the Oliver five as he switched home long shots and lay-ups that would have surely caught the eye of a big league scout if there had been one at the game. The Vernon product cashed in with 20 points in leading the Ramblers to their 46-41 victory.

At half-time the score sheet read: Oliver 25, Vernon 20, and it appeared as if the locals would bear the brunt of defeat once again. But with Otto Munk and Reilly Sammartino playing guards and snaring rebounds from the taller Oliver quietude, the Ramblers really started to ramble. Koshman got hot and before the spectators knew what had happened, their favorites were behind the eight ball and ten points behind the Ramblers.

The losers speeded the play up and ran all over the court trying to find the weak point in the Vernon defence and pull the contest out of the fire.

Oliver Fights Back

Long passes, fast dribbling and many balls going out of bounds featured the play with five minutes to go. The Ramblers had the lead and were closer to winning a game than they had ever been, so they determined to maintain the edge.

Oliver, who haven't been hitting

New Year's Day Bonspiel Marks First Anniversary Of Curling Club's Arena

On New Year's Day, 1948, one of British Columbia's finest artificial ice curling rinks was officially opened. On that eventful occasion, Mayor Dave Howie threw the first rock down a sheet that has felt the weight of thousands of curling discs since. This ceremony was one that will be remembered for many years by local followers of the ancient Scottish sport.

Local Puck Team Won't Take Part In Valley Loop

The Okanagan Hockey League, which is the original hockey league in the Valley, played their opening game of the season at Armstrong on Tuesday night. This league was won by the Lumby Flying Frenchmen last year. The circuit will be composed of Lumby, Salmon Arm, Armstrong and a possible entry from Kelowna. It should provide plenty of hockey entertainment for the smaller cities of the Valley.

This year, the teams have been bolstered by players who have come to Vernon, Kamloops and Kelowna to try out with the Senior B's. In practice to date, all the clubs in the league have shown a marked improvement over last year.

A Vernon team will not be entered this season due to difficulty in obtaining the necessary ice time at the local arena. In compensation, the E. G. Sherwood, president of the Okanagan Association, stated:

"It is regretted that Vernon, with an artificial ice arena, is unable to enter a team in the Okanagan Valley Intermediate Hockey League this year, as officials in charge of ice allotment at the arena cannot find time for the team to practice and hold regular league games. It is a shame that Vernon players such as Stan Berry, Stan Grisdale, Herbie Fisher and Sarge Sammartino have to go to Lumby to stay with hockey this season," Mr. Sherwood concluded.

Glen Curwen, manager of the Vernon team, which was to have been named "Engles," and sponsored by the Vernon Steam Laundry and Capital Motors, reported that over 30 players have turned in their names requesting a tryout with the club.

Officials of the Lumby hockey team have offered their outdoor rink for home games but the club definitely needs practice time and we can't get it in the Vernon arena," stated the manager.

A meeting of the Okanagan Amateur Ice Hockey Association was held in Vernon on Sunday, December 26, when representatives from Salmon Arm, Armstrong, Lumby and Vernon gathered to discuss the 1949 season.

Mr. Sherwood was re-elected president of the league and J. Gendler, of Lumby, vice-president. Horace Marks, of Salmon Arm, was elected secretary.

Mr. Sherwood announced Monday morning that Lumby, Armstrong and Salmon Arm would definitely enter teams. It is very possible that a Kelowna club may also join the league. "Vernon will not have a team unless some arrangement can be made with the arena officials, depending practice and game time," he stated.

Those attending the meeting were Mr. Sherwood and Mr. Orrison, of Vernon; Ken Watt and Dan Allanko, of Armstrong; Herbie Martin and Len Possill, of Lumby. The schedule for the opening three weeks of play is:

Lumby at Armstrong, January 4;

Valley Hockey League Opener Taken by Lumby

Led by the two-man combination of Stan Berry and Sarge Sammartino, who racked up 19 points between them, the Lumby Flying Frenchmen handed Armstrong a 13-5 trouncing in the opening game of the Okanagan Intermediate Hockey League on Tuesday night in the Armstrong rink.

The initial period saw the Frenchmen sweep into a comfortable 9-0 lead when Berry made every shot count and fired home six markers. All of these were assisted by Sammartino.

But in the middle canto, the Armstrong crew, paced by Ken Watt, were determined to make a fair showing in the first contest of the season. They came through with two markers and held the Frenchmen to a pair.

Continuing a sham-bang style of hockey, the Celery City boys outscored the visiting squad in the final period, 3-2.

When the game was over and the scoring compiled, Stan Berry led the parade with eight goals and one relay. Sarge Sammartino, although only blinking the red light twice, set up the plays for eight tallies. Norm Possill, Booney Sammartino and Mike Kramer completed the Lumby scoring. Kerr, with a pair, and Bigler, Kueher and Dunallanko adding singletons, were the Armstrong marksmen.

The visiting rinks included: one from Oliver, two from Kelowna, two from Armstrong, two from Enderby, two from Salmon Arm and one from Saskatchewan, made up of a group of holidayers from the prairie province.

Eight cottage rolls and eight hams were given away as prizes in the two competitions. After a first contest was played, the winners were put in the primary class and the losers made up the secondary division.

Top honors in the primary competition went to a foursome from Oliver which was skipped by Dick Topping. To win the hunkie, the visiting rink had to go all out to defeat a Vernon team manned by Linwood Vulur. Vulur and his crew were awarded cottage rolls.

Both first and second spots in the secondary competition were occupied by Vernon rinks; skipped by Felix Henselcke, who capped number one spot and Gordon Lindsay, who won second place honors.

The winning rinks in the two events were comprised of Felix Henselcke, skip; Herb Phillips, Bob Henderson, and Jack Finlay. Second place teams were: skip Linwood Vulur; Harry Picken, Blake Caruthers and Harry Barber. On the Lumby rink were: George Stuart, Ben Douglas and Harry Turnbull.

Armstrong at Salmon Arm, January 7; Salmon Arm at Lumby, January 11; Armstrong at Lumby, January 14; Lumby at Salmon Arm, January 18.

Begin Men's Pro Rec Classes at Armories Tonight

The Vernon men's Pro Rec classes for the 1949 season are scheduled to get underway tonight, Thursday, at 7:30 o'clock in the men's mess of the M.C. D's Armories. Classes will be held every Thursday night with Geoff Holmes, of Vernon, as the instructor.

Anyone over 15 years of age wishing to take part in this year's Pro Rec activities is asked to contact Mr. Holmes at the Vernon Garage or attend the classes.

"Young Liberals" Is Name Change for Former Ramblers

A change in name and sponsorship of the Vernon entry in the Okanagan Valley Senior B Basketball League was announced this week by Howard Thornton, who recently took over coaching duties of the local quintette.

The Club was formerly known as the ramblers and was sponsored by the Vernon Steam Laundry. They will continue play in the league under the name of Vernon Young Liberals and will be sponsored by the Young Liberal Association in this city. The Liberals next game is slated for Kamloops tomorrow night, Friday.

Vernon Board

(Continued from Page One)

ernment to institute immediately a program of reconstruction, improvement and year-round maintenance of the Monashee Road.

A resolution asking the Government to undertake a planned program for re-stocking fishing waters, will be introduced by the Vernon Trade Board, and presented at the meeting.

The Vernon Board has replied in the affirmative to the Canadian Chamber of Commerce, which is preparing a referendum on the popularity, or otherwise, of a single alternative vote. The Chamber of Commerce is a Dominion-wide organization, and uses this method of gauging public opinion. Another point being raised by them and being probed locally, is in connection with servicemen's canteens.

At a recent executive meeting, A.

Berner was named representative of the Board to the Jubilee Hospital annual meeting. This appointment was made after the receipt of a letter from the Registered Nurses' Association, asking such representation.

Richard the Lion-hearted, King of England, raised money for his first crusade, by putting on the auction block his nation's highest offices and honors.

Scene of U.S. Army Air Force Crash

The sun shines on a U.S. Army Air Force C-47 plane on a Greenland icecap, casting a shadow of its fuselage along the wind-swept snow. The plane crashed on December 9 with seven men aboard. Following several unsuccessful rescue attempts, which resulted in six more men being marooned on the icecap, an Air Force plane was able to land and rescue the men.

B.C.A.H.A. Meet Probes Many Problems Facing Sport In Province Today

"The conduct of spectators at Senior B hockey games in this province must improve," stated Frank F. Becker, president of the British Columbia Amateur Hockey Association, at a meeting held in the National Hotel yesterday afternoon. "It is not only the spectators but players, managers, coaches and referees alike," he added.

Over 25 representatives from all points in the Okanagan attended to discuss recommendations and resolutions the president will put before the C.A.H.A. at their semi-annual meeting to be held in Winnipeg on January 14 and 15.

Most of the three and a half hours of debate centered around the referee situation in this league. Claude Smail, referee-in-chief and instructor of the school that was held early in the season in each of towns, was called upon to clear up some of the many questions in the minds of executive members of all three clubs.

After the former Memorial and Allan Cup arbiter had outlined the situation, "President" Becker commented, "Al Pickard, president of the C.A.H.A., complimented us on being very fortunate in having a referee with the background and of the calibre of Mr. Smail, his ideas are truly worth attention."

The opening question that was dealt with by the gathering was the minor hockey situation in the Okanagan. The president again put forward his suggestion saying: "I am not very encouraged by the minor hockey set-up in Vernon. Don't neglect minor hockey. They are tomorrow's intermediates and seniors. Bantam is the division where hockey players are made." Playdowns for the 1949 season will be two out of three and not a two-game total goal series as formerly. In the midge division, Bill Macdonald viewed his opinion on the matter, explaining that when a team has to travel and play the same night they might be defeated by an exceptionally high score and then after a rest, that same team could turn around and win the game but lose out in the total goal count. "This has happened in past years in B.C. and is not fair to the travelling club," added the Vernon minor hockey executive member.

Difficulties in operating the juvenile divisions were next put before the meeting and members decided that this class also would have a two out of three playdown. The president pointed out that the two out of three series at Nelson last year when the Vermonts reached the finals was one of the best in the history of the Association.

Juniors Necessary

"Don't let it die," said Dr. R. A. Hughes, of Kamloops, when the meeting reached the complicated question of junior hockey in the province and district. His statement was supported by the entire gathering, everyone agreeing that junior hockey, whether it be A or B calibre, was necessary.

"At Vancouver and other coast cities, junior hockey officials are contemplating moving into the 'A' division. I hope to see teams in the Okanagan do the same in a couple of years," stated Mr. Becker.

The bantams were not forgotten by the governing body of minor hockey in the province and it is hoped they will be able to conduct playdowns in each district to declare a winner.

A brief outline of the financial backing awarded to the minor divisions was given by the British Columbia president. The midge and juvenile clubs reaching the semi-finals will receive \$300 and if the finals are gained in addition to this grant a guarantee of \$125 will be paid by the home team to the visitors.

After the minor hockey discussion faded with the cigar smoke that clouded the lobby room of the National Hotel, the meeting moved into the question concerning the recommendations and resolutions to be put before the C.A.H.A.

First of these was the notion to be taken towards a spectator who

spits, uses abusive language or interferes with the play in any manner. Mr. Becker declared it was in his jurisdiction to impose a suspension on any offenders and he would do so whenever the occasion arose. This applied also if the paying customer interfered with an official, coach or manager. The meeting gave the president full support on this matter.

Even the managers of the three arenas entered the discussion when they were advised it was their duty to see that a hockey game was conducted in their rink in a proper and entertaining manner.

President Becker didn't stop at the spectators and managers. He advised the executive members of the three teams to rule their players with a strict hand. "The success of your hockey club lies solely in the hands of its management. Make your players play your way, be the boss, or get rid of the players. If they don't cooperate, there are a lot more to choose from," stressed the president.

The fifth resolution, discussed by the representatives, was, in the opinion of Mr. Becker, very serious one and with care. This concerned the terms "Senior B" and "Intermediate." "At the present time there is no such league as Senior B; it is all intermediate."

"There is no rule governing this question, but Mr. Becker assured that the matter will be looked into. The trouble lies with the playoffs of the different leagues in this district. At the end of the season after a winner has been declared in both leagues, the Okanagan Valley champions may challenge the winners of the Mainline Okanagan Hockey League for the right to enter in the Coy Cup finals.

The playoff dates for the different leagues and divisions was left unsettled but the Okanagan representative stated the Orchard City would be willing to take any playdowns that could not take place in the Vernon or Kamloops arenas this year. The Curling Club bonspiel may be the deciding factor in this problem so far as Vernon is concerned.

At the conclusion of the meeting, the president informed the representatives of the three clubs that tonight is the time when registration cards should be handed to Charlie Fullford, president of the Mainline League.

He reminded the executives of the Okanagan and Mainline that only four ex-senior players are allowed on each team. A player coming from outside of the province is declared an import and only four imports can be registered with the Mainline teams.

Mr. Becker carried this warning a little further by stating, "any team playing an ineligible player can be fined and all games they had won could be thrown out."

The battle of the Monitor and the Merrimack, a naval engagement during the American Civil War, was the first conflict between iron-clad vessels.

Local Fisherman Hooks 19 Pounder In Okanagan Lake

It seems that to catch the really big fish, an angler must brave the icy blasts of the wintry winds on Okanagan Lake. Anyway, local fishermen are again having their best luck of the year as New Year's weather hovers around the zero mark.

Over the weekend some of the biggest fish caught here in many years were taken out of Okanagan Lake. On Boxing Day A. G. Loepky, of Vernon, hooked a 19 pound, two ounce trout in the Lake. This catch should place high up in the Okanagan Lake Derby, which opened in December and continues until March. His fish is three pounds heavier than last year's winner caught by L. C. Dufoe.

The second largest fish to be caught was a 15 pounder and this whopper went to Russ Fostill, of Vernon, on Sunday last week. He also had a 10 and 11 pound added to this catch.

T. J. Van Antwerp and Stan Hunt brought out 12½ pound trout apiece on Sunday and Arthur Holmes, of Okanagan Landing, landed an eight pound effort on Wednesday.

News from the Coyote Derby officials is that no one has brought in a predator since the drive got underway.

A bobcat was seen last Wednesday night on the Orchard Leigh Lodge road by H. L. Shantz, of Coldstream. Mr. Shantz described the animal as "twice the size of a tomcat and colored dark grey. It had a bobtail and short, peaked ears."

Council Warns Parents of Ice Danger in Park

Vernon City Council warns all parents of the dangerous state of ice on ponds in Polson Park. Skating is unsafe for children on these areas of water.

City Engineer F. G. deWolfe explains that soft spots in the ice are owing to air holes caused through springs. A dog fell through last week, and was only rescued after some difficulty.

Parents are urged to forbid children to use the ponds for skating. The Vernon detachment, Provincial Police are issuing the same warning.

Signs have been placed in the areas bearing the same slogan. The letter "O" has become loose in the slogan "Polson Park" on the archedway of the northeast entrance on 32nd Street. This will be welded into place, Alderman D. D. Harris stated on Monday evening at the City Council meeting.

Armstrong COMINGS & GOINGS

ARMSTRONG, Jan. 4—Mr. and Mrs. E. Ripley returned home last Tuesday after spending Christmas with relatives at Canoe.

Holiday guests at the home of their parents, Mr. and Mrs. Frank Clayton Sr. were Miss Mabel Clayton, R.N. of Chemainus, V.I., and John Clayton of Quesnel.

Mr. T. C. Gray and son, Gordon Gray, who spent the past two weeks with relatives at the Coast, arrived home on Monday morning.

Miss Evelyn Kenney of Kelowna and Miss Muriel Campbell of Kamloops were holiday guests at the home of the former's mother, Mrs. S. H. Kenney.

Miss Dorothy Kemp of Hupai spent the holidays with her brother-in-law and sister, Mr. and Mrs. Ronald Price.

Goes To Calgary

Charles Bligher made a business trip to Calgary this week.

Miss Shirley Procter, of Agassiz, visited her mother, Mrs. E. Procter, and sisters, Grete and Joan during the holidays.

Miss Mary Aslin left on Saturday night to resume her duties at the North West Baptist Bible College at Port Coquitlam, after spending the holidays with her parents, Mr. and Mrs. W. A. Aslin.

Miss Bertha Ball returned to Kelowna on Saturday after spending the holiday season with her sister, Miss Edith Ball, and brother, Harold Ball.

Mr. and Mrs. W. Danahanko, who have sold their home on Mill Street moved last Monday into temporary quarters in the Armstrong Motors Garage.

Mrs. Arthur Clayton returned last week from 10 days spent with her parents, Dr. and Mrs. Henderson in Lethbridge, called there by the illness of her father.

Riotous Welcome

(Continued from Page One)

snowfall in that month since April of 1922 fell in the city. Rural and city construction was already hitting peak figures. The second annual Vernon-Okanagan Industrial Exposition packed four days with top entertainment and a vast array of exhibits despite downpours of rain.

In May, for the first time, the Blossom Time Ceremony of the Interior Shriners was held in the Interior. Vernon played hosts to the Shriners for two days of gaiety and ceremony. The Governor-General, Viscount Alexander of Tunis and Lady Alexander paid a brief visit to the city on their western tour.

The first bylaw of the year and given approval was the \$110,000 measure for the new storage dam in the B.X.

June saw the C.E.F. party sweep the Yale by-election polls. Floods struck people of B.C. and the citizens of Vernon rallied behind a drive to provide relief. The pinch of the supplies bottleneck was felt and Haddo Dam spillway collapsed, causing some hours of anxiety for Lumby residents.

Incidentally, June was significant for another reason. A Vernon Citizen attended a City Council meeting just "to see what was going on."

The ogre of July was the imposition of the sales tax. Tension was eased by the settlement of the wage dispute in the fruit industry. Government officials studied the possibility of the road to Silver Star, Kin Vernon Days, 11th annual, were another August highlight.

September saw the construction values here pass the two million dollar total. The first tenants occupied homes completed in the 160 houses Silver Star project through Central Mortgage and Housing Corporation.

Winter was in the air when the Vernon Board of Trade joined with its fellow boards to press for development of the Monashee Highway. The million dollar school-building program for District 22 was approved by the ratepayers and a record poll saw the \$30,000 fire alarm modernization bill pass. The city water supply situation was eased with completion of the storage dam.

City's Christmas Present

The city closed the year with a Christmas present from the government to the amount of \$24,000, part of the proceeds from the sales tax collections. City stores and businesses did a rushing Christmas trade, the Post Office was clogged with mail, the seventh annual Rotary Ice Carnival was a pageant of beauty and the New Year celebration.

ENGAGEMENTS

The engagement is announced of Cora Jean, only daughter of Mr. and Mrs. James L. Smith, of Vernon, B.C., to Charles Lloyd Smith, of Swany River, Manitoba. The wedding will take place in the United Church on Thursday, January 13, 1949, at 2 p.m. Reception to follow in the hall. 7-1p

IN MEMORIAM

HACKMAN—In loving memory of our dear father and grandfather, John Hackman, who passed away on January 1, 1948. One year has passed since that sad day. When the one we loved was called away. God took him home. It was his will. But in our hearts he lives still. Sadly missed and always remembered by his daughter, Jennie, son-in-law, John, and grandchildren, Mrs. Marlene and Shirley. 7-1p

STICKINGS—In loving memory of our beloved sister, Edith Emery Stickings, who passed away January 2, 1948. Our hearts cannot tell how we miss her. Our hearts cannot tell what to say. God alone knows how we miss her. In our hearts she is homesome to us. Sadly missed by sisters and brother. 7-1p

STICKINGS—In loving memory of our dear mother, Edith Emery Stickings, who passed away January 2, 1948. A wonderful character to the end of her days. What a beautiful memory she left behind. From Mrs. G. Swift and George and daughter Irene. 7-1p

SIEG—In loving memory of my dear husband, Bert Sieg, who passed away January 2, 1948. Surrounded by friends I am lonely. In the midst of my joys I am blue. With a smile on my face I cry. Longing, dear hubby for you. Sadly missed by his wife, Ida. 7-1p

HACKMAN—In loving memory of a dear husband and father, John Hackman, who passed away January 1, 1948. The world may change from year to year. And friends from day to day. But never will the one we loved. From memory be forgotten by his wife and daughters. 7-1p

SIEG—In loving memory of my dear husband, Bert Sieg, who passed away January 2, 1948. Friends may think the wound is healed. But they little know the sorrow. Lovingly remembered by his daughter, Louise, and son-in-law, George. 7-1p

LARSON—In loving memory of my son, Donald "Duke" Larson, who passed away January 1, 1947. When at times they see me smile. But they little know the sorrow. Sadly missed by his mother, Mrs. Larson. 7-1p

CARD OF THANKS
I wish to express my sincere thanks to all my friends and family for the lovely flowers, cards and letters sent me during my long stay in the hospital. Special thanks to Dr. Alexander, nurses and staff, for their many deeds of kindness and gentleness. Sincerely, Rose Ashton. 7-1p

Flocking to Shanghai

 With Chinese Communist forces nearing the north bank of the
Yangtze River, thousands of Chinese who make their homes on small
boats and sampans on China's rivers, are flocking to Shanghai. This
picture shows how Soochow Creek has become a mass of humanity
afloat. At right is North Soochow Road. In foreground is Chapoo
Road Bridge.

Neilson Leads Canucks To Clean-cut Win Over Elks

 Led by Captain Bill Neilson, with three brilliant goals, the Vernon
Canadians turned on the power last night to whip the Kamloops Elks
6-2 in front of 1,750 wildly screaming fans.

 Leaders all the way, the Canucks poured on the heat in a dazzling
hockey style that resulted in the best game of the season. The clear-
cut win sliced the Elks' league lead to one slim point.

 Bill Neilson and Buzz Mellor were
the sparkplugs who fired the Cana-
dians to their impressive win. Ap-
propriately, these two players com-
bined on the first goal of the night
at the five-minute mark of the first
period, Neilson firing home Mellor's
shot.

 At both defence and offence, Neil-
son was superb. Two of his goals
came in succession in the last per-
iod, just after Kamloops, through
two quick tallies, had made the
count 3-2. Mellor, with two goals
and the same number of assists, gave
his best game of the season and
spearheaded Vernon's most aggressive
and best line of the night.

 Five of the game's eight goals
came in the last period and, de-
parting from the usual, four of
them were unassisted.

 The Canucks stepped out for a
1-0 lead in the first, added two in
the second, slipped, as Kamloops
sneaked in two important count-
ers, but again swarmed to the at-
tack, and with Neilson showing
the way, sewed the game up.

 Rough and tough action was fea-
tured as the players teed off on
one another in efforts to get hold
of that puck. Penalties were not
too numerous with officials—Alec
Kuly, Fred Janicki and Tom Mar-
riott—keeping a close and compe-
tent watch on tempers.

 Goaltenders Great
Both goaltenders drew shout
after shout of approval as they
stopped wave after wave of attacks
from onrushing forwards.

 Aggie Al Lafuze saved Vernon's
 bacon time and again as he broke
the back of many a Kamloops rush.
At the opposite end, Frankie Sharpe
took his share of the honors by
robbing Vernon speedsters of what
seemed certain goals. Stealing the
puck as if by magic, Sharpe suc-
cessively stopped Mellor and Kenny

 Leaving by motor on Wednesday,
December 29, Mr. and Mrs. Guy
Byron-Johnson, of Cottonwoods,
will spend the balance of the win-
ter at Coast points visiting friends
and relatives. During the month
of January they will be the guests
of Mrs. Byron-Johnson's brother-
in-law and sister, Mr. and Mrs.
Herbert H. Lockyear of Vancouver,
before going to Vancouver Island.
During the absence of the owners,
William Weeks of Wilgig's Land-
ing will reside at "Cottonwoods."

 Mr. and Mrs. Fred Mel-
nichuk had the pleasure of en-
tertaining four generations at
their home for the Christmas
festivities. Mrs. F. Melnichuk's
children represented the young-
est generation. Then Mrs. F.
Melnichuk, her mother, Mrs.
Radeau, and her mother, Mrs.
Pollichuk. A real, old-fashioned
family Christmas was enjoyed
by all.

 F. Melnichuk has on many oc-
casions destroyed predatory ani-
mals in this district, with the help
of his cougar dog, Butch. However,
since the mysterious disappearance
of this valuable dog, Mr. Melni-
chuk's cougar hunts have been
curtailed. Recently he purchased
another dog which he training for
cougars particularly. The dog is
an Elk Hound and has been given
the courageous name of "Lief Erik-
son."

Death Removes Early Pioneer From Community

 Today, Thursday, at 2 p.m. final
tribute will be paid to a man who
was one of the earliest pioneers
in this district. A resident of Ver-
non and district since 1889, Reuben
Swift, 83, died in the Vernon
Jubilee Hospital on Monday.

 Mr. Swift was a familiar figure
to many residents of Vernon and
was well known by fellow oldtimers
throughout the Valley. Retired
since 1941, "Rube," as he was po-
pularly known, could recall many
anecdotes of this city in its in-
fant stages.

 He was born in Quaker Lane,
Farnfield, Nottingham, in Eng-
land on October 9, 1865. Educated
in English school, he first took up
trades in his native country until
in his early twenties, he came to
Canada.

 Coming westward he worked at
odd jobs across the country, with
railway construction crews, on
farms and at many other varied
occupations.

 Took Up Farming
About 59 years ago, he reached
Vernon and had resided here since.
For a few years, Mr. Swift farmed
in the Lavington district, later
selling his holdings. He next was
employed as foreman of a govern-
ment construction crew building a
line south of the city and after this
was foreman of the government
road crews for eight years.

 He then entered the hotel busi-
ness and built the Royal Hotel,
which is now the National. He also
owned, at that time, the Vernon
Hotel. Farming again lured him
him, this time to the Larkin dis-
trict and later at Okanagan Land-
ing. He continued this occupation
until his retirement eight years
ago.

 Mr. Swift served on the Ver-
non City Council for two terms
—first in the early days for
nine years and then, about
1932, for a short period. He was
on the City Council as Alder-
man when the Duke of Con-
naught officially opened Pol-
son Park gates before the first
World War.

 He was an ardent cricketer and
took part in many cricket com-
petitions throughout the Valley.
He is survived by his wife, Mary
six sons: Harry, of Vancouver
Tommy, of Vernon; Edward, of
Vernon; Norman, of Inglewood
V.I.; Geoffrey, of Vernon; and
George, also of this city; and four
daughters: Mrs. Bert Welch, of
Nanaimo; Mrs. John Michalechou
of Kelowna; Mrs. R. Richards, of
Vernon, and Marion, also of Ver-
non. Another son, William, was
killed overseas in 1944.

 Funeral services will be held
from All Saints Anglican Church
this afternoon at 2 o'clock. Rev.
L. A. C. Smith officiating. Inter-
ment will follow in the Vernon
Cemetery. Campbell and Winter
Ltd. were in charge of funera-
r arrangements.

Enderby Man Badly Hurt in Accident at Lumber Yards

A serious accident occurred in the Danforth area last week when Willie Thomas, a local industrial worker, was killed while working at a lumber yard.

The weatherman has been kind to Enderby this year. Although the thermometer took a decided drop this week, it is not extremely cold, and bright sunny days are welcomed by everyone.

However, with the New Year, colder temperatures prevailed. By 2 a.m. on Monday, Arthur Teece reported six below zero temperatures. At 5 a.m. it had been at six. Other reports from various sections of town gave the temperature anywhere from four to eight below zero. Excellent ice is being made at Enderby mill. Those who are planning on cutting a supply for the summer are watching the season in the Shuswap River and local streams.

Classes resumed at Enderby Farm School on Monday morning. After more than two weeks' holiday, most of the vacation was spent skiing, skating and sleighing by the youngsters in near perfect winter weather. Many of the parents, however, heaved a sigh of relief when the regular school routine commenced again.

Many of the parents, however, heaved a sigh of relief when the regular school routine commenced again.

Honor Leaders of Rural Electrification Program
Directors of the Shuswap Okanagan Dairy Industries Co-operative Association, at their recent annual Christmas luncheon, presented to T. M. Gibson, regional manager of the B.C. Power Commission, and S. E. Halksworth, of Grindrod, chairman of the Rural Electrification Committee and dairy co-operative president, two miniature elephants in token of appreciation for the rural electrification program. J. R. Freeze, of Salmon River, veteran director of the association, made the presentation. More than 1,000 rural homes have received light and power in the last two years. To the end of next March 31, Mr. Gibson anticipates a grand total of 1,301 homes will be electrified.

Electricity Meant Brighter Christmas For Deep Creek Area
DEEP CREEK, Dec. 31.—With the electric power turned on in the area on Wednesday, December 22, residents of Deep Creek had a much brighter Christmas this year.

The weather turned cold for the holidays, the thermometer dropping to as low as four degrees below zero, but this did not stop festivities from going at full swing.

Mr. and Mrs. D. Lawson spent Christmas with Mrs. A. MacKinnon and her brother, A. Robble.

Mr. and Mrs. A. Johnston and sons spent Christmas in Enderby with Mrs. Johnston's father, A. Carlson.

Miss Elsie Naylor, of Kelowna, spent the holiday weekend with her parents, Mr. and Mrs. H. Naylor.

Mr. and Mrs. Bob Baird and children, of North Enderby, were recent guests of the former's sister and brother-in-law, Mr. and Mrs. H. Davison.

George Sharpe recently spent a few days visiting in Victoria. Noelle Davison visited during the holidays in Enderby with her grandmother, Mrs. I. Baird.

B.C. Tourist Traffic Shows 1948 Decrease

Figures released by L. H. Eyres, Minister of Trade and Industry, show that 10,479 cars entered British Columbia through Canadian border points in November of last year. This makes a total of 183,788 up to November 30 as compared with 196,425 for the same period of 1947.

Many factors have contributed to the decrease, notably the flood conditions which prevailed throughout the entire Pacific Northwest in the early part of the season.

Many Attended Grindrod Dance New Year's Eve

GRINDROD, Jan. 4.—The New Year's Eve dance, sponsored by the Grindrod Community Club, was the most successful dance of the season. The hall was crowded with many visitors from outside points but a \$10 door prize was won by Joe Hawrys, of Grindrod. At midnight the New Year was welcomed with great enthusiasm. Dancing continued until 4 o'clock in the morning.

Visitors to their homes for the Christmas and New Year's holidays were Duncan McEwen, Bert Hawrys, Jean Halksworth, Tinnie Block and J. Bailey, of Vancouver; Roy Lidstone and George Darbyshire, of Osoyoos; Mr. and Mrs. L. H. Anderson, of Kamloops; C. W. Pritchard, of Armstrong; Nick Kohut, of Powell River; S. Holovinski, of Westbank; Mrs. M. Hancock and Kay Hancock, of Naramata.

J. J. Cairns, of Mirror, Alta., arrived last week to spend some time visiting at the home of his son and daughter-in-law, Mr. and Mrs. R. Cairns.

Mr. and Mrs. E. Crooks, of Saskatchewan, are visiting at the home of Mr. and Mrs. G. W. Bailey. Mr. and Mrs. P. Ward returned to their home on Sunday after spending the holidays visiting relatives in Lumby and Kamloops.

Mr. and Mrs. J. Sutherland and family spent Christmas and New Year's holidays visiting with relatives in Spokane, Wash.

Mr. and Mrs. R. Gentles and family, of Calgary, Alta., are visiting at the home of Mr. and Mrs. N. J. Hipp.

Well Known Enderby Residents Celebrate Fortieth Anniversary
ENDERBY, Dec. 31.—Mr. and Mrs. S. H. Speers received congratulations last week when they celebrated their fortieth wedding anniversary at their home in Enderby on Christmas Day.

Mr. and Mrs. Speers are among the oldtimers of Enderby and their many local and valley friends wished them the best in years to come.

Mr. Speers has always been a keen sportsman. He was the manager of the Enderby hockey team some years ago when they won the Coy Cup, and has been an active curler and keen golfer.

In civic affairs, he has been president of the Board of Trade and president of the Enderby Liberal Association.

Hold Last Rites for Grindrod Pioneer
GRINDROD, Jan. 4.—Funeral services for Joe Dickie, pioneer resident of this district, were held on Tuesday, December 27, from the United Church, in Enderby. The funeral followed in the Enderby Cemetery.

Mr. Dickie had been a resident of this district for over 40 years, having until a few years ago, farmed in the old Grindrod area and then moved to live with N. O. Anghikooki.

Lavington Residents Usher In New Year in Grand Style

LAVINGTON, Jan. 4.—New Year's celebrations were carried out in fine style here. The big dance in the Community Hall was well attended, with close to 350 people present. Balloons and other novelties provided a jolly time for the fun makers. "The Revellers" supplied music and a turkey supper was an added attraction.

The Lavington Post Office hit its busiest peak ever this Christmas. Several sacks of parcels and letters arrived four or five times a day. A steady stream of mail kept coming in and this relieved congestion at Vernon Post Office, greatly assisting mail handling in this part of the Valley. Harry Chamings, of the Lumby-Vernon Coach Lines, delivered the mail.

The younger people are enjoying lots of skating and a hockey game in the Community Hall was a New Year's Day attraction. The Lavington B.A. Oilers defeated the Vernon Cubs by a score of 3-2.

Since the cold snap last week, the birds are to be seen in great numbers around the houses in the district. Many bird lovers attract the chickens with a bone hanging from the porch or bird feeders filled with scraps of bread. Deep snow in the hills has driven the pheasants down into the valley. Lavington residents are extending their greetings to all.

Mr. and Mrs. Francis Todd and little son, Harvey, of Kamloops, were holiday visitors here at the home of the latter's parents, Mr. and Mrs. Harry Smith. Mr. and Mrs. George Game, of (Continued on Page 10)

We CAN DO IT... because we're Free

Things go wrong when freedom's flouted; that's what ails the world today... Here, in Canada, freedom has a better chance... Because we're free, each of us has his place in shaping human destiny... Because we're free, we can speak our minds without fear... we can worship as we choose... we can change our jobs for better ones... or start in business on our own... Because we're free to elect one party or another, our government must stand by policies the majority of us support... Because we're free to choose one product or another, business keeps improving its wares to serve us better, thereby raising our already high standard of living. We're free because our economic system is free. Without economic freedom, all other freedoms die... civil rights lose their meaning... the standard of living is lowered... the citizen becomes the puppet of the State. So long as we nurture and defend our economic freedom, we can safeguard all our freedoms... we can beat off every assault upon our liberties and our individual dignity. The mature strength of this truth will help us toward clear thinking and courageous living in '49. There's a tough job ahead this year, but we can do it... because we're free.

Last Rites Held for Well Known Resident Of Okanagan Centre

OKANAGAN CENTRE, Dec. 31.—It was with regret that Okanagan Centre residents learned of the death of a long time resident of the lake shore, "Andy" Morris, on December 16. He had been in failing health for the past year.

Born in England in 1873, Mr. Morris came to this country at an early age and was a member of the Provincial Police force in Fernie at the time of the big fire. He was also a member of the Vernon Police Force for a short time during the First World War.

Unmarried, he had no known relatives in this country. He lost two brothers in the first world conflict when they served with the British Army in the Near East.

Rev. Stewart Crysdale officiated at funeral services in Winfield on December 18.

SCREEN FLASHES

"The Emperor Waltz," starring the King of Song, Bing Crosby, and lovely Joan Fontaine, continues for the remainder of the week at the Capitol Theatre.

In the technicolor romance with music, Crosby plays an American phonograph salesman in Vienna of 1901, and his love affair with a countess (Miss Fontaine) rocks the Austrian capital and a considerable portion of the Tyrolean Mountains. The salesman and the countess are brought together by their dogs—Bing's common fox terrier and Joan's aristocratic French poodle. There is a good deal of hilarity in the development of the dogs' and owners' respective romances.

Shattering with the terrific impact of its startling story, and blazing with intense excitement, "The Street It No Name" opens Monday at the Capitol Theatre with Mark Stevens and Richard Widmark in lead roles and with an outstanding supporting cast.

This thrilling mystery unfolds the taut and action-packed story of the FBI's counter-attack against gangdom's threat of a new era of crime that would surpass that which threatened the security of American life in the criminal onslaught of the 'Twenties.

Winfield News Items

Mr. and Mrs. Douglas Elliot returned to Vancouver on Sunday after spending the holiday season with friends and relatives.

Mr. and Mrs. Al Vecchio left at the New Year to visit in the Kootenays.

Potted Pups A-Plenty

"Lady," a three-year-old foxhound, owned by Clement O. Carter, of Auburn, Mass., keeps a wary eye on her litter of 14 three-day old puppies who were so frisky when the photographer arrived that

he had to place them in individual flower pots in order to keep them in the picture. But even then they didn't stop them from arguing and fighting.

Complain About Rough State of Enderby Highway

ENDERBY, Dec. 31.—Motorists to and from town have been complaining recently of the rough condition of the road surface from Enderby to Armstrong. Despite the heavy falls of snow, the roadbed is extremely bumpy and has made travel most uncomfortable.

Mr. and Mrs. S. H. Speers returned to their home in Enderby after having spent a short visit with their son and daughter-in-law, Mr. and Mrs. Howard Speers, at Armstrong.

Mr. and Mrs. Earle Donaldson and son, Bob, who spent a three-day Christmas visit with Mrs. Donaldson's mother, Mrs. M. M. Peal, have returned by motor to Revelstoke.

Mr. and Mrs. Gordon Duncan returned home by motor from Vancouver where they spent a few days holiday visiting with their sons and daughters-in-law, Mr. and Mrs. Lex Duncan and Mr. and Mrs. Murray Duncan.

Mr. and Mrs. Tom Malpass returned to their home in Enderby recently after a visit at Salmon Arm with Mr. and Mrs. Boris Turin. Accompanying Mr. and Mrs. Malpass as far as the Arm was Miss A. Lever, who spent the Christmas holiday with Mr. and Mrs. Malpass before returning to Kamloops.

Dr. and Mrs. Roy Haugen, of Armstrong, accompanied by Mrs. Haugen's sister, Mrs. Stephenson, visited at the home of Mr. and Mrs. E. N. Peel recently.

Miss Eileen Morton, who has been nursing at Princeton, returned to her position after spending the Christmas holidays with her mother, Mrs. T. Morton, at Enderby.

Miss Eva Colbart, of Vancouver, recently arrived in Enderby to spend a few days' holiday visiting with her aunt, Mrs. R. J. Colbart and Miss Colbart. Accompanying Miss Colbart from Vancouver was her mother.

Mrs. Charles Strickland is spending several months visiting relatives and friends at Nelson, Vancouver and Victoria before returning to her home in Enderby.

Mr. and Mrs. Howard Logan enjoyed a visit last week from Mr. and Mrs. Barnes and their three children of Lavington.

Miss Eva Colbart, of Vancouver, recently arrived in Enderby to spend a few days' holiday visiting with her aunt, Mrs. R. J. Colbart and Miss Colbart. Accompanying Miss Colbart from Vancouver was her mother.

Mrs. Charles Strickland is spending several months visiting relatives and friends at Nelson, Vancouver and Victoria before returning to her home in Enderby.

Mr. and Mrs. Earl Quesnel and young son returned to Lumby at the end of last week after holidaying with Mrs. Quesnel's parents, Mr. and Mrs. G. E. McMahon.

Other guests at the home of Mr. and Mrs. G. E. McMahon last week were their son-in-law and daughter, Mr. and Mrs. Willard Nore, of Princeton, who were accompanied by their young daughter.

Mr. and Mrs. George Rand, Jr., returned to their home at Ashton Creek after a short visit with Mrs. Rand's parents, Mr. and Mrs. A. Young, at Sicamous.

Dr. and Mrs. Alexander, accompanied by Mr. and Mrs. C. Mac-

Donald, all of Salmon Arm, were out-of-town visitors at the home of Mr. and Mrs. McNabb on Monday of last week.

Mr. and Mrs. Harry Rimel were visited by their son, Jimmie, over the Christmas holidays. Mr. Rimel has been employed at Princeton during the past few months. Other Princeton visitors spending Christmas in Enderby with their parents, were David Skelly visiting Mr. and Mrs. Emilio Skelly, and Bob Warden who spent Christmas with his mother and father, Mr. and Mrs. Warden, Sr.

Mr. and Mrs. E. Coulter returned to their home in Enderby recently after a short holiday visiting friends and relatives at Kamloops.

Dismiss Appeals On Convictions For Theft Here

A three-man Court of Appeal in Vancouver recently dismissed appeals by G. E. Salmon against convictions by Magistrate Frank Smith in Vernon Police Court on charges of theft. Sentences totalling three years' imprisonment were undisturbed. The Appeal Court consisted of Chief Justice Hon. G. McSloan, Mr. Justice C. H. O'Halloran and Mr. Justice H. B. Robertson.

The appeals were originally made on December 6 but were adjourned to December 17 for a further report from the convicting magistrate.

According to information received by Mr. Smith, the former manager of the Vernon Irrigation District appealed on his own behalf three convictions against him here on August 26. He represented that he had appeared here without counsel, and that he had not entered an unqualified plea of "guilty" on the theft charges.

The accused said he had admitted possession of the stolen article but not the theft of them.

Salmon further represented that counsel, Neil Davidson, had appeared only as a personal friend to testify to Salmon's good character.

No opportunity to present his case and no representation, were also claimed by Salmon in his appeal. The accused offered the court an explanation of his possession of the stolen goods.

The report sent the Appeal Court by Magistrate Smith showed the accused had been represented by counsel and that he had entered an unqualified plea of "guilty" on each count. Both the accused and counsel had been given ample opportunity to address the court.

This report further stated that Salmon had made no attempt whatever to offer any satisfactory explanation as to how the stolen goods came into his possession.

All three appeals on these August 26 convictions were dismissed and the 18 months' total of sentences was not altered.

Salmon also appealed against a further conviction of theft here on November 9 when an additional sentence of 18 months was imposed. This appeal was also dismissed, sentence unaltered.

Donald, all of Salmon Arm, were out-of-town visitors at the home of Mr. and Mrs. McNabb on Monday of last week.

Mr. and Mrs. Harry Rimel were visited by their son, Jimmie, over the Christmas holidays. Mr. Rimel has been employed at Princeton during the past few months. Other Princeton visitors spending Christmas in Enderby with their parents, were David Skelly visiting Mr. and Mrs. Emilio Skelly, and Bob Warden who spent Christmas with his mother and father, Mr. and Mrs. Warden, Sr.

NEW YEAR NEW HOPES NEW JOBS NEW OPPORTUNITIES

In many ways the most favored part of Canada, British Columbia enters the New Year with new problems to solve, new challenges to meet, new opportunities to develop.

Taking stock of our position we might well remember these things:

- 1 Ours is the fastest growing province in Canada.
- 2 We need to attract outside capital to make jobs for our new citizens—but we ourselves in British Columbia are more competent than in the past to finance and manage our own industrial and commercial expansion based on our rich resources. We must invest, venture and show enterprise.
- 3 Despite uncertainties and fears, the energy and initiative of people around the world have attacked war damage and reduced shortages, but demand for goods and services remains urgent. Greater abundance for the greatest number must be our goal.
- 4 We must do our part to re-build normal world trade by buying from our customers, keeping our prices competitive, improving the quality of our products.
- 5 High living standards are impossible without good machinery. British Columbia industrial management and employees will benefit by constant improvement in the machinery of production.

During the fiscal year 1949, H. R. MacMillan Export Company Limited and its subsidiaries plan to make new capital expenditures in excess of \$8,750,000.

This company has progressed by practicing, insofar as it could, the policies above set forth. It has done the greater part of its business competitively with world suppliers in distant lands, has sold to the Canadian market at prices generally below world prices, has reinvested more than 80 per cent of its net profits in British Columbia job-creating enterprises and has borrowed on its credit to finance new projects making more efficient use of the forest resources it converts to useful products.

To its more than 5000 employees, its customers and the citizens of British Columbia, who benefit by vigorous enterprise, it pledges a continuance of these policies.

H. R. MacMILLAN,
President

ENTERPRISE + RE-INVESTED PROFITS = PAYROLLS and PROGRESS
H. R. MacMILLAN EXPORT COMPANY LIMITED

EVERYBODY'S BUSINESS

How co-operative are you?

You are *unco-operative* if you have:

1. The "me-first" attitude. He who always asks, "What do I get out of it?" usually avoids co-operative efforts because he doesn't think they bring him any immediate benefit.
2. Critical or defeatist attitude. The critic thinks he can do it better, so he either stays aloof or discourages the efforts of others.
3. Insular attitude. Co-operation is foreign to the person whose interests never take him beyond his own immediate task.
4. Rebellious attitude. Some people resent having to take orders from anyone else.

If none of these attitudes apply to you, the odds are in your favour as you seek popularity and success.

The nation's greatest co-operative enterprise is life insurance. By sharing their risks together, millions of individuals enjoy financial security obtainable in no other way.

Luxury Liner Sails
The latest ship built anywhere since the war, the 34,000-ton Cunard White Star luxury liner Caronia is shown here at the completion of her trials. The ship, whose single funnel is the largest ever to go on a vessel, has left Southampton on her maiden voyage to New York.

Winter Wonderland Effect In Oyama Boxing Day Fete

OYAMA Jan. 4.—The annual Boxing Day dance, sponsored by the Canadian Legion, was held in the Community Hall and took the form of a "Winter Wonderland." It was a most enjoyable affair with music supplied by the orchestra contributing greatly to the evening's enjoyment.

The hall really looked like a "winter wonderland." It had been decorated with green fir boughs, decorated with white, standing Christmas trees, and the ceiling made a lovely overhead canopy.

The supper tables were also decorated with tiny Christmas trees and snowflakes, and "snow" had been added to the winter scene.

A buffet supper was served at midnight with the aid of the Legion executive in charge. These women, who were also responsible for the decorations, were Mrs. H. W. Byatt, Mrs. W. Lee, Mrs. J. Elliott, Mrs. A. T. Brown, and Mrs. Tyler.

H. Crawford and B. Potchery acted as bachelors.

New Year's Eve Ball
The annual New Year's Eve dance was held in the Community Hall and was sponsored by the Community Club. It began took the form of a dance with tables around the outside walls. The hall was decorated with white and rose-colored crepe paper and scalloped crepe paper overhead canopy.

A large number of balloons were released at midnight. Very few of the New Year's resolutions were made, as the dancing continued the night.

Bob Nelson, with a number of helpers, was responsible for the decorations.

Sub-Zero Weather Fails to Daunt Falkland Children

FAULKLAND, Jan. 4.—Despite sub-zero temperatures, most of the school children returned to classes on Monday after their two weeks' vacation. A few pupils are confined to home with colds and mumps.

J. McDonald has had to resign his teaching duties owing to ill health. He did not return to his position after the holidays. Best wishes were extended to him by Falkland residents as he left for Victoria. Mrs. G. Gordon is now teaching Mr. McDonald's classes.

Young people and others interested in skating are busy trying to construct a larger skating rink. The rink builder levelled the surface of a plot of land between the hotel and the station. The main problem is to get sufficient water on the rink before the hose pipes freeze.

Bill Murphy left on Sunday for a holiday at the Coast.

Mrs. H. Campbell and family recently returned to Falkland after spending part of their Christmas at Kamloops.

Bank's Assets Total Over Two Billion Dollars

MONTREAL.—For the first time on record, the assets of the Bank of Montreal have passed the two billion dollar mark. According to the government statement of the chartered banks, the Bank of Montreal on November 30 had total assets of \$2,000,444,940.10.

Over the past year a substantial factor in this rise has been the increase in loans, or savings, deposits in Canada, which have advanced from \$602,000,000 to \$604,000,000. Total deposits by the public in Canada now exceed \$1,050,000,000, the highest figure for any Canadian bank, and representing well over a million and a half deposit accounts.

Canada's first bank, the Bank of Montreal, has just entered upon its 122nd year, founded in 1817, when business was still commonly done by barter in the Canadian colonies, the bank opened its doors with a staff of seven. Today, more than 2,000 people work at 627 branches in Canada and Newfoundland and at the bank's offices in Great Britain and the United States.

HUSBANDS! SALUTE YOUR HOMEMAKER AND WIN \$5000 (FOR HER)

Here's a chance to pay your wife a \$5,000 compliment on her homemaking ability. And it will cost you nothing but a few minutes of your time. You write the winning last line in our big limerick contest—Safeway will award the \$5,000 prize to your wife. (Get the idea, wives?) 107 other prizes for other entries.

Here are the prizes!

2nd Prize	\$1,000	6th Prize	\$75
3rd Prize	\$500	7th Prize	\$50
4th Prize	\$250	8th Prize	\$25
5th Prize	\$100	100 Prizes	\$5 each

FIRST PRIZE \$5,000.00

It's EASY! Just finish this limerick:

I'm proud of my wife, you can see
She's thrifty and keen as can be,
At Safeway she shops
That's where values are tops

(You supply the last line. For instance, you might write "And her savings are amazing to me.")

GET A FREE ENTRY BLANK AT SAFEWAY

It includes the complete rules. Nothing to buy—just follow the simple rules and mail in your entry. Contest closes January 30th.

Four BIG WEEKS of celebration in your honor, Mrs. Homemaker

Our hats are off to you, Mrs. Homemaker, for the way you handle the big and difficult job of managing a household. It takes a lot of skill and a keen sense of values to keep a family well-fed, happy and healthy these days... to fit all of the needs of a normal family into the limits of the family budget. But it's a job which you take in your stride, demanding and getting top value in everything you buy. It is this demand that keeps us on our toes. You get top consideration in all our plans. Our improved methods of food distribution were developed to assure you of full value in every purchase.

So we salute you—the person we must please if our business is to remain successful. This four-week SALUTE TO HOMEMAKERS is in your honor. It brings values in every section of our stores. It's in your honor, so be sure to take advantage of the opportunities which it offers for special savings.

Enderby Bride in Traditional Mode Of White Satin

ENDERBY, Dec. 31. — St. Andrew's United Church in Enderby was the scene of a pretty wedding on December 23, when Vera Dawn, daughter of Mr. and Mrs. J. G. Bradford, exchanged marriage vows with Robert Eric Nelson, son of Mr. and Mrs. O. Nelson.

H. G. Bradford, of Armstrong, gave his sister in marriage. She wore a formal wedding gown of heavy white satin. Double lace edging outlined the net yoke and neckline, the lace extending over the shoulders as epaulettes for the lily-point sleeves. The bouffant skirt fell from a fitted bodice, and the bride's finger-tip veil, trimmed with lace, was caught to her head by an orange blossom coronet. Completing her ensemble was a pearl necklace, and her bouquet was composed of red roses and baby white chrysanthemums.

Miss Violet Weir was the bride's only attendant. She wore a blue gown, cut with sweetheart neckline, with a large bow of self-material at the back waistline confining the full, floor-length skirt. A soft toned pink veil caught with tiny flowers and a pink carnation bouquet completed her ensemble.

The bestman was the groom's brother, O. Nelson. Walter Bradford and E. Nelson were brothers.

At the reception, held in the Enderby Armory, Mrs. F. Bradford, mother of the bride, and Mrs. Nelson assisted in receiving the guests. Mrs. Bradford wore a grey gaberdine frock, and corsage of red roses. Mrs. Nelson wore pink crepe, and a corsage of darker carnations in the same shade.

A three-tiered wedding cake centred the table, flanked by small vases of red roses and tall pink and white candles.

Rev. C. G. MacKenzie proposed the toast to the bride, to which the groom responded. The groomsmen toasted the bridesmaid.

Out-of-town guests included, Mr. and Mrs. H. G. Bradford, of Armstrong; Mr. and Mrs. G. Ryman, of Summerland; Mr. and Mrs. E. Quesnel, of Kamloops; R. W. Bradford, of Trail; Mr. and Mrs. Niblock, of Kelowna; Mr. and Mrs. A. Gillard, of Kelowna; Miss Mildred Lane, of Armstrong; Mrs. Miles McDonald, of Armstrong, and Miss Dora Chapman, of Armstrong.

Following a brief honeymoon spent in the southern part of the Valley, Mr. and Mrs. Nelson will make their home in Enderby.

Mrs. E. M. Jones of Enderby Observes Eightieth Birthday

ENDERBY, Jan. 6. — Celebrating her eightieth birthday yesterday (Wednesday) was Mrs. Eleanor Mary Jones, a pioneer resident of Enderby and district, coming from her native Wales some 56 years ago.

Coming to the Valley in the early days, the family, with the eldest son, Bobby, who died subsequently, had to make a two-day stop-over at Sicomus before being able to make Valley connections. The family continued on their journey to Larkin, where they resided for some time, and 44 years ago moved to Enderby.

Mr. Jones died in 1932. Of eight children, three reside in Enderby: Dave and George Jones, and Mrs. W. Garratt. Another son, "Ollie" Jones, resides at Hulear; another, Jack, at Beverdale; and a daughter, Katie, in Vancouver.

A wide circle of friends of Mrs. Jones congratulated her yesterday, wishing her still more years of health and happiness.

Legionnaires, W.A. Hosts To Over 250 City Children

Approximately 250 children whose parents are ex-service men and women who reside in Vernon, were entertained on Thursday, December 23, in the Legion Centre by Branch No. 25 of the Canadian Legion and its associated Women's Auxiliary, as a joint project of the two groups. Mrs. Steve Becker was general convener of the affair, held in the afternoon.

Mrs. J. Kernode convoked the entertainment, which comprised films, with Mayor T. R. B. Adams looking after the projector; and a sing-song. Refreshments consisting of sandwiches, cookies, cake and soft drinks were served to the children, after which Santa Claus distributed "stockings" filled with candies to every child who attended, from a gaily decorated tree. It was later discovered that Guy P. Bagnall did the honors for Saint Nicholas.

Under the convensership of Mrs. W. R. Shaver, tea was served to mothers of the children. In the canteen, the tables were decorated with cedar, holly and small candy-filled baskets.

Visitor From Churchill, Man. Tells of Life in Far North

—Authoress, Canadian Club Member on B.C. Holiday

"We were, perhaps, a tiny bit disappointed at the cold; but the sunshine in Vernon is wonderful," said Mrs. R. M. Beckett on Tuesday. With her husband, Mrs. Beckett arrived here from Churchill, Manitoba, on Thursday last week, in the course of a winter holiday in British Columbia. The couple may stay two months in Vernon. Mr. Beckett is electrical superintendent for the National Harbor Board at Churchill, where he spends eight months of each year. Mrs. Beckett joins him for most of this period. The family home is in Fort William, Ontario.

Churchill is about 1,000 miles north of Winnipeg; Fort Churchill, where there is now a military camp, is about five miles distant from Churchill proper. It is Canada's most northern seaport, and is located on the west coast of the Hudson Bay.

"Yes, we have our water delivered to our door in pipes," Mrs. Beckett said in an interview on Tuesday, referring to deliveries of blocks of ice. These are put in containers and allowed to thaw at room temperatures or on the back of the stove. Homes are insulated, and quite cosy in spite of the 25 below zero temperatures on which Mr. and Mrs. Beckett turned their backs for the lotus-eating province of British Columbia. Mrs. Beckett described the winds which sweep across the "tundra" or open plains of the north in December. Mr. Beckett's term of office with the Harbor Board is from April to Christmas each year. His wife remained for the full eight months for the first time in 1948.

The population of Churchill is between 700 and 800 most of the year. There are schools there and at Fort Churchill. An Anglican Church was established in Churchill over 200 years ago, and the Bishop's Palace for Roman Catholics in the north is located there.

Furs are the basic industry of Churchill. It is from this northern outpost that the choicest and rarest furs are trapped for manufacture into coats for milady of fashion and privilege. A whaling factory will open there in the spring.

Mrs. Beckett is an active member of the Women's Canadian Club in Fort William, and is a Charter Associate of the Arctic Institute of North America. She is an authority on the flora and fauna of the Canadian north, and has written extensively on this and other subjects for magazines. This versatile woman is very interested in ornithology as well.

Mrs. Beckett tells of many types of rare orchids which flourish in the brief summers; of three different varieties of gentian and many other rare and beautiful flowers.

If rugs show wear along the seams, an enterprising housewife suggests that a package of dye, to match the background in each case, will be helpful. Just make a paste of thinner as the need may be and apply with a small brush. Often such old rugs can be made to look like new.

At 10 a.m. December 25, there was two and one-half hours' delay to Vancouver. That holiday was increased to four and one-half hours by 1:30 p.m. By mid-afternoon, Calgary was unable to take any further calls from this district. The furthest point, called from Vernon was Glasgow, Nova Scotia. Calls were also put in for New York, and White Horse, Yukon Territory.

Many calls to eastern points had to be cancelled. The same condition applied to territory across the border, including Seattle and Spokane, which were so busy they refused to pass any further calls. Other delays were caused owing to some Vancouver lines being out of order.

It is the hope of the company to have additional lines to the coast within two months.

Daphne Pearse Bride at Early Morning Rites

A pre-holiday wedding of wide interest in Vernon was that solemnized in the rectory of the Sacred Heart Cathedral at Kamloops, on the morning of December 16, when Daphne Joyce Pearse became the bride of John Mulholland.

Rev. Father J. Masse officiated at the rites which united the daughter of Mrs. E. J. Pearse, of Kamloops, formerly of the BX District, Vernon, and the son of Mr. and Mrs. F. Mulholland, of Vernon.

Richard Pearse gave his sister in marriage. She wore a white velvet dress featuring the "new length," styled with a peplum over the skirt, full in back and slim in front, with a dip in the back hemline. Her headpiece was a halo of gardenias with a short French illusion veil. In effective and seasonal complement were gloves and shoes of Burgundy shade, and a corsage of red roses.

Miss Wendy Pearse attended her sister, wearing a grey dressmaker suit, with pink accessories. Jack Armstrong, of Vernon, uncle of the groom, was bestman.

The wedding breakfast was served at the home of the bride's mother, which had been decorated with wedding bells and streamers. Yellow carnations formed the table decoration, with a three-tiered wedding cake centring the table.

For her daughter's wedding, Mrs. Pearse wore a brown dress with beige accessories. Her corsage was of bronze chrysanthemums. The groom's mother wore a fuchsia toned dress, with pink carnation shoulder spray.

The toast to the bride was proposed by Mr. Armstrong.

For her wedding trip to the United States, the bride wore a three-piece, brown garbier suit and topcoat with matching accessories. Mr. and Mrs. Mulholland will reside in Vernon.

The bride's family resided in Vernon for many years, where the former, her brothers and sisters received part of their education. An elder sister, Miss Bridget Pearse, was on the editorial staff of The Vernon News before joining the C.W.A.C. early in the war. She since married Ronald Rose, Provincial editor of the Vancouver Sun.

Mr. Farber should know his stuff. He is a designer and manufacturer in his own right in a city that leads Canada in the industry. There will be a wide variety of well-favored bright colors in next spring's suits. Predominant are cream, chocolate, rum frappe, Kelly green, wine and just plain red.

If the starch box is empty the same amount of corn starch will suffice for the emergency.

Quick Thrifty Delicious

Beef Upside Down Pie

1 1/2 cups flour
1 cup milk, or half milk and half water
1 tsp. celery salt
1/2 cup sliced onion
1/2 cup white pepper
1 can condensed tomato soup
5 lbs. shortening
15 lb. ground raw beef
3 tsp. Magic Baking Powder

Sift together flour, baking powder, 1/2 tsp. salt, celery salt and pepper; add 3 tablespoons shortening and mix thoroughly with fork. Add milk and stir until blended. Melt remaining two tablespoons shortening in 9" frying pan, and cook onion until soft. Add tomato soup, remaining 1/2 teaspoon salt and ground meat; bring to boil. Spread baking powder mixture on top of meat mixture and bake at 475°F. for about 20 minutes. Turn out upside down on large plate. Serves 8.

Miss B. Seaton Bride at Double Ring Ceremony

A quiet family wedding of Valley-wide interest, particularly in Vernon where the bride was on the high school teaching staff, was solemnized at 2:15 p.m. on Sunday, December 26, when Bessie Pearl Seaton, of Vernon, exchanged marriage vows with Ernest Lawley, of Oliver. The double-ring ceremony was performed by Rev. A. R. Lett at the home of the bride's brother and sister-in-law, Mr. and Mrs. J. Seaton, at Winfield.

Jack Seaton gave his sister in marriage. She wore a smartly-cut two-piece, garnet colored crepe dress, with black hat and accessories. Her ensemble was accented by her groom's gift, a cameo ring and pendant, and a corsage of small yellow chrysanthemums. She was unattended, but the groom was supported by John Coe, of Penticton.

Another brother of the bride, W. L. Seaton, of Vernon, played the wedding music, and Mrs. J. Seaton sang, "O Perfect Love."

The tea table was covered with a lace cloth, centred with a three-tiered wedding cake, flanked by burning golden tapers.

Out-of-town guests included the bride's sister, Mrs. W. Miller and son, Donald, of Peachland; Mr. and Mrs. W. L. Seaton, and sons, Peter and Bill, Jr., of Vernon; and Miss Doreen Currie, also of Vernon; Mr. and Mrs. John Coe, sons Ted and Jim, and Mrs. W. J. Coe, all of Penticton; Mr. and Mrs. A. Weighton, Rutland; Mrs. A. R. Lett, of Oyanima.

Mr. and Mrs. E. Lawley have taken up residence in Oliver. Mr. Lawley was a former resident of America.

THE VERNON NEWS, VERNON, B.C.

Housewives' Co-operation
Gave Holiday to Milkmen

According to the management of the Co-op Dairy, the co-operation of the dairy staff, and milk wagon drivers, having a two-day holiday, last week, resulted in some of the best milk being delivered to the city on Friday morning. According to reports, the staff was sufficient to get most of the milk delivered on Friday morning. There has been no Sunday delivery of milk locally for two years, except during the summer months.

On January 1, the price of milk in Vernon advanced two cents per quart, to 20 cents.

Two-thirds of the cocoa consumed in the world comes from British West Africa.

By MABEL JOHNSON

A Friendly Chat

A few people have said a lot lately about comic books, and the probable effect some of these pictorial tales have on the morals of young people.

It looks as if the picture-story is here to stay. It is a symbol of our time, in that reading, as reading, is falling into decay. Many adults seemingly get along quite all right too, without reading at all. It is not likely that in these homes children are encouraged to read, so the quick method of the story by means of picture is easily grasped.

The only remedy to the possible effect on children's morals would be for the publisher to insist on a different type of comic strip.

Plenty of Plots

There are plenty of avenues besides the gangster with which to amuse. The reason the undesirable type of comic is so popular is because there are few, if any, of a better type.

I don't think, either, that ridicule of the marriage tie is a good thing as subject matter for a comic. How can we hope for our young people to be true to their vows, and look on them with sanctity, and to do their best with each situation which arises, common in every home, when they have long been accustomed to see these aspects treated as a joke, and in a light, humorous manner?

Walt Disney

There are a few people who are internationally known through their laugh-provoking drawings and cartoons which have amused millions, old and young, such as Walt Disney. His subject matter could hurt no one. Mickey Mouse has become an international figure. Along these lines, years ago, a young woman whose name was Rose O'Neil, "invented" the "kewpie." These have captured the imagination of children and grown-ups for many years. If there were more of these harmless type of laugh-makers and novelties it would perhaps help the current situation.

Another thing about comic strips is the spelling and slang used in the narrative. A good speller is becoming more and more a rare commodity; probably having be-

come confused between "literatures."

This, though, is just idle patter, as the publishers of comic books are making too much money to change their ways, I expect.

There is an English magazine called "The Lady," sent out to me from time to time by Cousin Em. In a recent edition is the following excerpt. One can hardly believe it could be written in this day and age:

Hard to Believe

"A small child, choosing a book to take to bed, said 'No, not that!' to several proffered. 'The pictures aren't comfortable,' he explained. Nor were they! Frightening witches, trees with branches which grasped children who ventured into the wood, cottages with strange faces, cruel-looking animals from the never-never land, are to be faced in the sunshine hours perhaps, but not when alone in bed. His choice was a Beatrix Potter which had rejoiced his mother's childhood days."

"Good drawing, lots of authentic detail, good looks, these" the children like. Happily the new books show signs that weak sentimentality and ugliness are going out of fashion." End of quotation.

Are our children a little frightened of some types of comic strips? Are the escapades of which one reads in metropolitan newspapers, laid at the door of the funny papers, perhaps bravo to show they are not afraid, always supposing they are bolstered up to breaking of the law because of saturation of this kind of literature? Children are children, be they in England or in North America. If other types of comics were available, they would be the most popular.

Which reminds me of the censorship imposed on our reading by our parents when we were children. We were brought up surrounded by books, and taught to read as soon as we could formulate three letters. But we were given such books as were considered suitable to our age.

I can remember, too, having discovered "Little Women," and devouring it whenever I could sneak the opportunity to read a chapter. I thought, at the age of about 8, that this was the zenith in literature. Incidentally, I read it then from cover to cover on the sly. It was given to me when about 12.

That sort of discipline is a thing of the past. But I still think that if children were guided their tastes in reading material could be moulded to higher types of entertainment than the comic papers; without suggesting that these are crime inducers either. People miss so much by not reading. One doesn't just start to read; it is a habit which can be formed.

Please don't think that I would indict the "Elsie" books on anyone; but all this is to plead for a happy medium, and a little higher intellectual plane than engendered by comic strips.

Canadian Fashion

Afternoon dress in new line—cracker red, features high fitted neck, typical black draped fullness. By Sperber.

City Teacher
Tells of Travel
Through Mexico

At a recent meeting of the Vernon Stageette Club, held at the home of Miss Joan Yull, Miss Frances Simms gave a very interesting talk on her trip to Mexico last summer.

Miss Simms attended the Escuela Interamericana de Vernon School where there were 225 students, she being the only Canadian. Miss Simms lived with a Mexican family, and so had the opportunity of actually seeing how the average Mexican lives.

In the course of her talk, Miss Simms told her audience that it was the general impression in Mexico all Americans are "rich."

Not much seems to be known about Canada in that country, but Canadians are generally put in the same category as their American cousins.

People are very kind, courteous, hospitable and interested in anyone whom they feel is interested in them and their country. The unpopularity of tourists in some sections is owing almost entirely to the fact that some tourists ridicule the Mexican customs, which mean a great deal to them.

Miss Simms toured Central Mexico, and at the close of her talk, pictures and snapshots which she obtained during her trip were shown to the gathering.

Refreshments were served by the hostess.

Okanagan Landing
Friends Honor
Miss Olive Cook

OKANAGAN LANDING, Jan. 5.—Miss Olive Cook left last evening, Wednesday, for Victoria, where she will start nursing training at St. Joseph's Hospital. About 30 friends at Okanagan Landing honored Miss Cook with an au revoir gift. A travelling clock was chosen to remind Miss Cook of her friends at home; as well as two towels and white nylon hose. Mrs. Bert Anderson and Miss M. Choveaux, on behalf of the group, presented Miss Cook with the gifts as a token of good wishes. It was not possible to arrange a party, owing to many prior engagements throughout the holiday season.

Social Notes from
Okanagan Landing

OKANAGAN LANDING, Jan. 4.—Miss Phyllis Welch, of Vancouver, spent Christmas with her parents, Mr. and Mrs. P. W. Welch. Miss Margaret Veroy, of Cardston, Alberta, spent the holiday season with her mother, Mrs. M. Cartwright.

Okanagan Landing residents are welcoming Dr. and Mrs. Hugh Campbell-Brown and their two small daughters, who have recently moved into their new home.

Friends of Mrs. Jack Woods wish her a speedy recovery. Mrs. Woods has been a patient in Vernon Jubilee Hospital since mid-December. Miss Mary Woods, of Glenora, is keeping house for her uncle while Mrs. Woods is ill.

Group of Friends Honor
Recent Bride at Winfield

WINFIELD, Jan. 4.—Mrs. J. Seaton, Mrs. A. Phillips and Mrs. T. D. O. Duggan were co-hostesses at the home of the former on Tuesday afternoon, December 31, when they entertained in honor of Mrs. Douglas Elliot, the former Jean Barber. Mrs. Elliot was presented with a set of silver and for by her friends.

Freshly ironed clothes should be hung up until thoroughly dry before folding. Otherwise they will have an unpleasant odor.

Curling Club Calls Every
Woman Handy With a Broom

Synonymous with a brand new year was the official opening of the Vernon Ladies' Curling Club for the 1949 season on Monday afternoon when members held "open house." Visitors were the guests of the organization on the ice lanes, and many others in the canteen for afternoon tea. Free curling all this week up to and including tomorrow, Friday, during the afternoon is offered by the Club to any local woman who would like to try her skill with rock and broom in what are called "scratch games." The club invites new members to participate in competitions for the Fullford Cup, the Berner Trophy, National Hotel Shield and other prizes.

Any lass who thinks her prowess with the broom is underestimated in her own home, has the opportunity of putting it to good use on Curling Club ice lanes.

The clubhouse was opened a year ago, and is equipped with all modern facilities. The ice is divided from the spectators' benches by twin glass. In the lobby and canteen are fires, so that players and visitors can be quite warm.

Mrs. G. E. Anderson is president of the club for the current year. Play will continue until the Okanagan Valley Bonspiel, usually held about the end of March.

Last year the Fullford Cup was won by Mrs. G. E. Anderson's rink, with Mrs. Charles Johnson, third; Mrs. J. McCulloch, second; Mrs. Felix Henschke, lead.

The Berner Trophy was captured last season by Mrs. Felix Henschke's rink, with Mrs. Bill Neilson, third; Mrs. J. McCulloch, second; Mrs. Amos Baker, lead.

Mrs. Bowes was skipping the rink which won the National Hotel Shield, with Mrs. Emory Green, third; Mrs. Powell, second; Mrs. Charles Wylie, lead.

Hats, stockings, cups and sauc-

ers were other prizes awarded in minor competitions.

A feature was the Leap Year Spiel, when a huge rolling pin was the prize, supported by a crest. Small rolling pins, emblematic of woman's sway over the male element, went to other members of the winning rink.

This resume of last year's activities will give an idea of the play. It is emphasized that anyone who cares to try the game this week, can do so free of obligation. If they like it, they will be welcomed into the Club's membership. Women not able to curl are invited to become associate members, at a small fee.

Skips are asked to report at the Vernon Curling Rink tomorrow afternoon, Friday, at 2 o'clock, to draw for 1949 winter season. Competitions will get underway next Monday, January 10.

The wool clip of Australia's sheep in 1947 was valued at \$448,000,000.

HOME-SPUN YARN. Very warm, extra long wearing. Grey, white, brown, heather, scarlet, royal blue, paddy green black, 2 or 3 lb. Delivered, Mary Maxim, Slightly \$1.98 lb., 10 lbs. or over \$1.80 lb., Manitoba.

What About the Railways?

Tucked away among the statistics on the financial pages of newspapers is some of today's most interesting reading. This is the time of year when corporations, mostly large ones and operating on a Dominion-wide basis, report to their shareholders, their competitors, and the country generally.

The reading is almost always good news. The past year was a record one for most big Canadian businesses, both in goods made and sold and the balances in the bank. We do not belong to the school which holds that these figures are pleasing only to the shareholders and the executives. Many others shared: the workers who got more wages than at any previous period in our history; the consumers who had more goods to purchase than ever before; the government which collected one-third of all profits to help run the country and provide many forms of social security; the suppliers to business; Canada's foreign exchange position by virtue of huge shipments of materials to the United States; the United Kingdom and other war ravaged countries which benefited through Canadian goods and food.

Canada's remarkable industrial growth of the past year could not have been possible without profits. Not less than three billions of dollars of new money was spent last year on improving and expanding Canadian business and industry, according to official Dominion government statistics. The expenditure of these sums was, in fact, the chief source of Canadian prosperity in the face of world-wide trade restrictions applying to many of Canada's prime exports.

Amid this general clamor of prosperity is one discordant note. In a deep bass, the two major railways of Canada are sounding off on their increasingly difficult financial position. Their position is serious not only for themselves but for the entire economy of the nation. The railways are perhaps Canada's greatest industrial necessity. Many another company could be forced to the wall with but little general effect. Not so for the carriers of this nation's goods. The Canadian Pacific Railway Company, for example, has announced that in 1948 it received more money than ever before in its history for its services, but, after paying expenses, its net return was at one of the lowest points ever recorded, including the depression years.

Here is the railway picture today as compared with the pre-war level: wages have increased 70 percent; materials, 65 percent; cost of a freight car from \$4,135 to \$6,400; cost of a locomotive from \$112,500 to \$174,000; coal, from \$4.12 per ton to \$7.75.

To offset these increases, the railways have had a tremendous increase in volume and a 21 percent increase in rates, the first change since 1922, while costs have advanced about 70 percent.

The railways are simply not getting enough money to pay for their supplies and remain solvent. They are heading in to a crisis that eventually will concern not only the government but the people of Canada.

To study the problem, the government has named another Royal Commission in addition to the Board of Railway Commissioners. All the boards and commissions together will not solve the problem unless the railways are given permission to charge sufficiently for their services to cover their expenses and have something over for replacement and improvement.

Sixty Years of Progress

In less than two weeks time, the Interior's biggest industry will hold its annual stock taking, will tote up its assets and liabilities, and will take a long, hard look towards the future.

The industry is the fruit industry, centred in the Okanagan, but with important branches in the Kootenays, along the Main Line, and over in the Boundary Country. From January 18 for four full days, the British Columbia Fruit Growers' Association, the controlling centre of the industry, will meet for its 60th annual session.

In the whole of Interior British Columbia there is no group comparable to the

B.C.F.G.A. It is unique in length of service, experience, organization; and its operations vitally affect every individual residing in the Okanagan, for without the fruit industry this valley could scarcely exist, at least in anything approaching its present prosperous degree.

The industry, through its highly developed and organized sales and manufacturing branches particularly, has experienced eight consecutive good years—years not without their problems, but nonetheless generally profitably to producers, shippers, carriers.

The last two years, however, have cast a shadow over the industry. The loss of the British market is the cloud that principally has formed the shadow plus the loss of other export markets because of exchange restrictions.

Markets undoubtedly will form one of the major topics for discussion and debate at the convention. Linked to this subject is the question of production of even higher quality fruit. With increasingly competitive markets and without the overseas outlet for smaller sizes of apples, the industry must insist on fruit of the highest standards from its orchardists. Practical measures to this end have been taken by past conventions, and the 60th meeting of the B.C.F.G.A. may expect to be asked for further support for quality fruit.

From the FILES of THE VERNON NEWS

Ten Years Ago—Thursday, January 5, 1939

The first annual Rotary Ice Carnival, in the Civic Arena on Thursday of last week, proved to be a delightful entertainment with a surprising diversity of appealing features, and it will go down in the history of the city, district and indeed the entire Valley, as an outstanding success.

Vernon's 1939 City Council officially assumed office Tuesday afternoon last, with but one change in personnel from last year. Alderman-elect Fred S. Galbraith assumed the seat left vacant by ex-Alderman Everard Clarke, who did not stand for re-election. The old Okanagan tradition that New Year's is Lumbly's hockey day will be carried on unbroken for another 12 months at least. They defeated Vernon 5-4 before a large happy-holiday crowd. Death removed one of the best known and popular figures in the entire Okanagan on Saturday morning, when Freemont Blakeslee, 68, passed away in his sleep. An active demand for colored apples has developed on the Old Country market. This statement was made by Fruit Trade Commissioner W. B. Gornall from London.

Twenty Years Ago—Thursday, January 10, 1929

At a meeting of the executive of the Vernon branch of the Canadian Legion it was definitely decided to erect a Legion Hall during 1929. In addition, a citizens' auxiliary to the Legion will likely be formed. A wonderful new piece of equipment for treating patients suffering from burns has been installed at the Vernon Jubilee Hospital. This equipment is remarkable inasmuch as there is only one other piece in any hospital in the world. Vernon dropped the first game of the North Okanagan Hockey League to Lumby on Thursday evening by a 7-4 score. A pleasing feature of the game was the work of referee D. R. Sinclair, who checked rough play very closely. Spirited election contests here for the offices of Mayor and Aldermen are assumed. Mayor L. L. Stewart will be opposed by R. Fitzmaurice, and the six candidates for three aldermanic vacancies are C. J. Hurt, Frank Spencer, E. B. Townrow, Joe Dean, A. S. Hurlbert and E. W. Prowse.

Thirty Years Ago—Thursday, January 9, 1919

A definite promise that the Kamloops-Kelowna branch railway will be built this year was made by R. Smithers, secretary of the Vernon Board of Trade, by D. B. Hanna, chairman of the National Railway Board. Dr. K. C. MacDonald, M.P.P., has left for Victoria to secure all possible information from Premier John Oliver, provincial minister of railways. Curling was started at the rink on Monday night and with a re-organized club and large increase in the membership, prospects are excellent for a good season's sport. The open air skating rink at the park, which was prepared under joint supervision of the Amateur Athletic Association, the City Council and the Fire Brigade, was thrown open to the public on Saturday night and a large crowd attended. Vernon churches are uniting this week for joint services in connection with the annual "Week of Prayer."

Forty Years Ago—Thursday, January 7, 1909

Fourth annual convention of the Union of B.C. Municipalities opened here Wednesday and will conclude sessions today, Thursday. The City Council has invited a large number of citizens to meet the delegates at a reception in the Opera House, at which an informal program of songs, speeches, and musical items will be given. The Vernon Fire Brigade Band will supply the music. The Okanagan Mounted Rifles' first annual ball on Thursday night of last week was one of the most enjoyable ever held here. Alderman Lelshman and Alderman Knight announced this week that they will not be candidates to succeed themselves at the coming election. The New Year was ushered in with the usual noisy demonstration. The Fire Brigade Band treated such citizens as were awake, in downtown portions of the city, to an hour or two of music.

Fifty Years Ago—Thursday, January 5, 1899

The question as to the best way to bring the waterworks question before the public was the subject of some discussion at the last meeting of the City Council. Nothing was done and there will accordingly be no public meeting, as was expected, and no ballot will be taken. The responsibility will be left with the new Council. The first masquerade carnival of the season was held at the skating rink Friday night. Judges were Mrs. Woods, Mrs. Cooper, L. Norris and J. Matheson. The thermometer took a sudden dip on Sunday and since then the weather has been cold and frosty. Not quite a quarter of an inch of snow fell in this city during the entire month of December. W. B. Cochrane went down to Victoria on Tuesday, to be called to the provincial bar, having successfully passed his examinations. Price Billigan, M.P.E., has left for Victoria to take his seat for the first time as a member of the legislature.

Chop Sticks

By DUGGAN

Most Anything

By STUART FLEMING

During the past week I have been reading one of the most fascinating books that it has been my good fortune to encounter in some time. It is the Twelfth Report of the Okanagan Historical Society. For those who have lived in the Okanagan for many years, for those who are newly arrived in the Valley, this book should be of equal interest.

As with its eleven predecessors, the Twelfth Report represents long hours of research and compilation. Its contributors are from almost every walk of life and their homes are to be found over the length and breadth of the Okanagan area. The Report is truly representative of the Valley.

Many newcomers to the Valley often wonder exactly what fascination it is that the Okanagan holds for its native people, or for those that have spent the best part of their lives here. Books like the Historical Society reports provide something of the answer. The history of the Okanagan Valley probably contains as much color and variety as any area in western Canada. Now another segment of that history has been spread before us and I honestly believe that no one will regret pausing long enough to review it.

There is an old saying about seeing yourself as others see you. One of the most interesting things in the Twelfth Report is a business survey made of the Vernon area by the Hudson's Bay Company in 1887. Later that same year the Company built its first store in Vernon but not before its Interior superintendent had had a good look at the district and its surroundings. Although he was sufficiently hopeful to recommend a store for the locality, he was guardedly hopeful and made careful note that most business appeared to be done on extended credit terms. It might also be noted that at this time Vernon was even then having trouble in making up its mind about place names. The town had not decided at that time whether it was officially Priest Valley or Comtreville. The Hudson's Bay Company superintendent used both.

Speaking of place names, there is a wealth of information to be found in the chapter devoted to Okanagan Place Names compiled

Hardest to Place

Employment officials will tell you that the hardest men to place are those over 45. There are many reasons for this. In some cases it may be the pension plan of a company which precludes the employment of the middle aged and over. In others it is the reluctance of a firm to take on the responsibility for a man it cannot just put out at the street at the end of a few years without making some provision for his future.

Whatever the reason, the fact is that this group, of whom there are quite a few requiring work, form one of the best sources of labor in the community. Many of them bring to their work special skills acquired only after long experience. They are mature and conscientious, and we are informed, have proved that a degree of mental gymnastics is necessary to understand them.

This group presents to the employment Service of Canada one of its great problems and to the community one of its special responsibilities.

There should be no prejudice against the employment of these men. They will give good value for their money. They will serve ably and with energy.

No man is prepared to admit that he is finished at the age of 45; why should employers think someone else is?

There is one other point which should be stressed. Chronological age is a very bad gauge of a man's efficiency. Some men are old at 40; others young at 70. Each case deserves to be treated on its merits.

—Winnipeg Free Press.

Mr. Churchill On Eire

Speaking in the House of Commons at Westminster, Mr. Churchill, apropos of the latest developments in Eire's policy, remarked that a degree of mental gymnastics is necessary to understand them.

"So far as I can see," said Mr. Churchill, "the policy of the Dublin government is that Ireland is to be partitioned together and thus excluded into the British Commonwealth." —Winnipeg Free Press.

PROVINCE OF BRITISH COLUMBIA

Department of Labour

MAIN OFFICE: Parliament Buildings, Victoria, B.C.

BRANCH OFFICES: Hall Building, 789 Pender Street West, Vancouver, B.C.

Canada's banks have
7,000,000 bosses

Your bank account is one of seven million. You keep it in the bank of your choice. A bank exists by the confidence of its depositors. You're the boss.

YOUR banks operate under charters granted by Parliament, which every ten years reviews and revises them.

Above all, the depositor is the controlling factor—the safety of depositors' funds is a bank's first concern. As a depositor exercising your free choice—yours is the power which keeps the bank alert to your needs.

And it works out. Impartial authorities have called Canada's banking system one of the soundest and most efficient in the world.

Contrast this Canadian way with conditions in lands where freedom is denied—where every bank is a political tool, every banker a State official. State monopoly of banking proposed by socialists here, would open your banking transactions to political intrusion.

News of Churches

Udenominational Week Of Prayer Kept Locally

Tomorrow, Friday evening, the last of a series of services in all Vernon Churches, observing the National Week of Prayer, will be held in All Saints' Anglican Church, with Rev. R. J. White preaching the sermon.

The inaugural service was held in First Baptist Church on Monday evening, with Rev. L. A. C. Smith giving the address. Rev. R. J. Gillanders was Tuesday evening's speaker in Emmanuel Baptist Church. Rev. Theo T. Gibson preached on Wednesday in the Seventh Day Adventist Church, and tonight, Thursday, Major G. Crewe, of the Salvation Army will give the message in Knox Presbyterian Church.

The series commenced in All Saints' Anglican Church last Sunday evening, and is sponsored and arranged by the Vernon Ministerial Association.

City Pastor to Take New Duties at Mission Church

Rev. E. V. Apps, pastor of the Regular Baptist Church in this city, has accepted a call to Mission City Regular Baptist Church. His new duties will commence on March 1, and February 27 will be his last Sunday in Vernon.

Mr. and Mrs. Apps came to Vernon six years ago last November.

At the beginning of Mr. Apps' ministry here, he also conducted services in Enderby. After four and one-half years the congregation there reached a point where it could support a pastor of its own. Also during this time, Vernon Regular Baptist Church became self-supporting. Locally, the church facilities are crowded, even though an extension was recently built to the church. Sunday School and Young People's groups and kindred organizations are thriving, taxing the capacity of the church to such an extent that there was not even standing room at the recent Christmas concert.

Educated at the Baptist Seminary, Toronto, Ont., Mr. Apps' first charge was at Brentwood Bay, Vancouver Island, where he stayed for six years. He then accepted a call to Marpole, a suburb of Vancouver, and after five years there, came to Vernon in 1942. In addition to his pastoral duties, Mr. Apps was vice-president of Vernon Ministerial Association.

"I shall find it hard indeed to leave Vernon," Mr. Apps said. "No successor has been secured as yet."

Some Churchgoers See New Year In at Watch Night Services

The New Year was brought in by some Vernon citizens on their knees, as they asked God's blessing and guidance on the unknown path which lies ahead.

Watch Night services were held in All Saints' Anglican Church, at the Elms Tabernacle, at Emmanuel Regular Baptist Church, and at the Salvation Army Citadel, on Friday evening, December 31. At the last named, proceedings commenced with a congregational get-together to mark the passing of the old year. Allan Dave was guest soloist. A social at Peter Malleck's home preceded church service for Regular Baptist worshippers. Religious services commenced at 11:30 p.m.

New Year's day messages were the theme of all sermons—locally on Sunday, January 2.

Review of 1948 for Vernon Anglicans At Annual Meet

The annual Parish meeting of All Saints' congregation has been called for Thursday evening, January 20, in the Parish Hall, on Main Street. Reports from Rev. L. A. C. Smith, the churchwardens, Sunday School, Women's Auxiliary and other church organizations will be given. A full attendance of Vernon Anglican worshippers is desired.

When the kitchen linoleum seems unusually dirty, due to wet shoes and stormy weather, pour a little kerosene into the water for cleaning. It will loosen the dirt wonderfully and make this arduous task a short one.

Christening Cake for Royal Prince

Finishing touches are put on the christening cake for the infant son of Princess Elizabeth and the Duke of Edinburgh by Irene Podd, of Harlesden, London. A silver cradle and baby adorn the top of the cake, whose ingredients, weighing about 30 pounds, were provided by the Girl Guides of Australia. The top tier of the Royal parents' wedding cake was saved for the birth of their first child in the manner of tradition.

Holiday Parties Held by Anglican Sunday Schools

Last Thursday saw two Sunday School entertainments take place in All Saints' Church Parish Hall on Main Street. In the afternoon, Miss Grace Nichols' Primary Department held its annual party, which included a Christmas Tree, presided over by Santa Claus, games and tea.

The Senior Sunday School and parents had an enjoyable get-together in the evening, commencing at 7:30 p.m. The affair was opened by R. G. Birch, Sunday School superintendent for the seniors scholars. About 70 persons were in the audience.

After opening the program with community singing of carols, P. S. Stirling held the audience enthralled with his sleight-of-hand tricks. Mr. Wright, entertained with some comic songs; and Amos F. Baker's "chalk talks" and humorous drawings were another unusual feature.

Walter Bennett Jr. operated the machine for the showing of three films; one of which was brought up from Vancouver especially for the occasion.

The Anglican Young People's Association assisted the Sunday School teachers in serving refreshments to all who attended, when a social hour was enjoyed.

The flesh of the kangaroo is nutritious and savory, resembling mutton, the tail especially being considered a delicacy.

READ THE CLASSIFIED AD COLUMNS OF THE VERNON NEWS... YOU'LL FIND BARGAINS GALORE!

FACTS FOR YOU....

ON SAFETY LAWS VERSUS COMPULSORY INSURANCE

FOR SAFETY (Pink Slip) LAWS

1. REDUCES ACCIDENTS.

In Manitoba, accident reduction was 23.1% eighteen months after introduction of the law—New York State, 23.1% two years after introduction of the law.

2. ACCIDENT REPEATERS OFF THE ROAD.

Accident repeaters total 3.88% of all drivers but cause 39.8% of fatal accidents and 36.4% of all accidents. Accident repeaters are assigned to a group of insurance companies at an increased rate. If they continue to have accidents, they are refused insurance and eventually forced off the road.

3. THE INJURED PERSON RECEIVES FAIR COMPENSATION.

Judgments have been rendered in Canada for \$20,000.00 and \$30,000.00 in favor of persons permanently disabled.

4. IRRESPONSIBLE DRIVERS WHO CANNOT PAY DAMAGES.

A fund has been set up by the Insurance Companies in B.C. called "the unsatisfied judgment fund" to pay claims in accidents caused by irresponsible drivers who are not insured.

AGAINST COMPULSORY INSURANCE

(Government operated or otherwise)

1. MORE ACCIDENTS.

In Massachusetts* (10 year operation) injuries from auto accidents increased 88.5%—registration increased only 20.5%.

2. HARMFUL POLITICAL CONTROL.

In Massachusetts* compulsory insurance led to rate fixing by the government—influenced by considerations of political expediency.

3. DENIAL OF INDIVIDUAL RIGHTS.

Compulsory insurance fixes amount of compensation. A skilled workman losing a hand receives the same benefit as a person who suffers small financial loss from the same injury.

4. MORE FALSE CLAIMS.

Experience in Massachusetts* showed fraudulent claims increased because persons tried to claim that their injuries were the result of an automobile accident.

Insurance Companies Support Safety Laws Because They Reduce Accidents. Compulsory Insurance Increases Accidents.

*Saskatchewan and Massachusetts are the only two territories on the North American continent where compulsory insurance is in effect. As yet, no statistics have been published by the Province of Saskatchewan.

It is to your benefit and ours when you know the facts about insurance. That's why they are given to you here by the British Columbia Insurance Committee.
